ABOUT ME

I am a Physics graduate from Maulana Malik Ibrahim State Islamic University of Malang with valuable internship experience and active participation in various organizational activities. Additionally, my achievment as a champion in jiu-jitsu sports reflects my dedication and perseverance. My strong foundation in computing and physics is supported by a deep understanding of courses such as Algortihms, Computational Physics, Computational Biophysics, Statistics, and Modern Physics. I believe that the combination of my experience and knowledge will be an asset to the team, and i am ready to contibute maximally and collaborate in achieving mutual succes.
